

# SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

## College of Arts and Sciences Department of Mathematics & Statistics

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for a full time instructor position in mathematics beginning mid August 2011. We will consider applicants who have a strong commitment to excellence in teaching. Applicants should have a master's in mathematics or statistics. The successful candidate will teach College Algebra through Calculus. Preference will be given to candidates able to also teach Math for Elementary Teaching, statistics, or quantitative literacy.

The Department of Mathematics and Statistics has 20 full time faculty members and offers undergraduate programs in mathematics, applied mathematics, statistics, actuarial science, and secondary education, and master's programs in mathematics, statistics and operations research, applied and computational mathematics, and post secondary mathematics education. For more information, visit departmental web page at: <http://www.siu.edu/artsandsciences/math/>.

Submit a letter of application, curriculum vita, transcripts (unofficial transcripts are acceptable for now), and three letters of recommendation (at least two should address teaching) to:

Chair of Instructor Search Committee  
Department of Mathematics and Statistics  
Campus Box 1653  
Southern Illinois University Edwardsville  
Edwardsville, IL 62026-1653

Review of applications will begin immediately and continue until the position is filled.

Security sensitive positions (those involving work with children, handling University funds or controlled substances, or working as security agents) require a criminal background investigation before an offer of appointment can be made. As an affirmative action employer, SIUE offers equal employment opportunity without regard to race, color, creed, religion, age, sex, sexual orientation, national origin, or disability.
