

SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE

Department of Mathematics and Statistics

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for a tenure-track position in Operations Research at the rank of assistant professor beginning August 2006. Applicants should have a Ph.D. in operations research or closely related field. We will consider applicants who have a strong commitment to teaching, and a demonstrated capacity to perform research. The successful candidate will teach operations research, statistics, discrete math, numerical analysis, and other upper level courses in mathematics and applied mathematics.

The Department of Mathematics and Statistics has 19 full time faculty members and offers undergraduate programs in mathematics, applied mathematics, statistics, actuarial science, and secondary education, and master's programs in mathematics, statistics and operations research, and applied and computational mathematics. For more information, visit www.siu.edu/MATH/.

Submit a letter of application, curriculum vita, transcripts (unofficial transcripts are acceptable for now), and three letters of recommendation electronically via www.mathjobs.org.

Review of applications will begin on November 30, 2005 and continue until the position is filled. As an affirmative action employer, SIUE offers equal employment opportunity without regard to race, color, creed or religion, age, sex, national origin, sexual orientation, or disability. SIUE is a state university – benefits under state plans may not be available to holders of F1 or J1 visas.
