

**College of Arts and Sciences
Department of Mathematics & Statistics**

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for a tenure-track position at the rank of assistant professor beginning August 2012. The applicant should have a Ph.D. in statistics, or a closely related discipline, but ABDs very near completion will be considered. We will only consider applicants who have a strong commitment to teaching and a demonstrated capacity to perform research. Duties will include teaching courses in statistics and mathematics, mentoring students through senior projects and master's theses, performing research, and contributing to the department, college, and university through appropriate service activities.

The Department of Mathematics and Statistics has 19 tenure or tenure-track faculty members and offers undergraduate programs in mathematics, applied mathematics, statistics, actuarial science, and secondary education, and master's programs in mathematics, statistics and operations research, applied and computational mathematics, and post secondary mathematics. For more information, visit
