

SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE

Department of Mathematics and Statistics

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for an instructor position in mathematics beginning January 1, 2006. We will consider applicants who have a strong commitment to excellence in teaching. For the position, applicants should have a master's degree in mathematics or statistics; the successful candidate will teach College Algebra through Calculus and other lower level courses. Some preference will be given to the candidates who can also teach statistics courses. The appointment will be for 3 semesters (January 1, 2006 – May 15, 2006 and 2006/07 academic year) with or without the possibility of renewal at the discretion of the department. The teaching load is four courses per semester (12-14 credit hours per semester).

The Department of Mathematics and Statistics has 22 full time faculty members and offers undergraduate programs in mathematics, applied mathematics, statistics, actuarial science, and secondary education, and a master's program with emphasis in mathematics, statistics and operations research, and applied mathematics. For more information visit <http://www.siu.edu/MATH>, or call (618) 650-2382.

Send a letter of application, curriculum vita, transcripts (unofficial transcripts are acceptable for now), and three letters of recommendation to:

Dr. M. Hasty, Chair of Search Committee
Department of Mathematics and Statistics
Campus Box 1653
Southern Illinois University Edwardsville
Edwardsville, IL 62026-1653

Review of applications will begin immediately and continue until the position is filled.

As an affirmative action employer, SIUE offers equal employment opportunity without regard to race, color, creed, religion, age, sex, sexual orientation, national origin, or disability. SIUE is a state university—benefits under state-sponsored plans may not be available to holders of F1 or J1 visas.
