

Southern Illinois University Edwardsville Department of Mathematics and Statistics

Southern Illinois University Edwardsville, a comprehensive state university 20 miles from downtown St. Louis, Missouri, invites applications for a tenure-track position in Mathematics at the rank of assistant professor beginning August 2005. Applicants should have a Ph.D. in any area of Mathematics, with preference given to Mathematics Education and Applied Mathematics. Candidates who have experience integrating mathematical software in their teaching will also be preferred. We will consider applicants who have a strong commitment to teaching and a demonstrated capacity to perform research. The successful candidate will teach both lower and upper level courses in mathematics and will share responsibility for student advisement and senior project direction. For Mathematics Education applicants, experience and/or familiarity with the U.S. public school system will be considered an asset.

Send a letter of application, curriculum vitae, transcripts (unofficial transcripts are acceptable for now), and three letters of recommendation to:
