*Master's in Curriculum and Instruction:
Program Option in Adult and Continuing Education*

FALL 2017 8-Week Courses

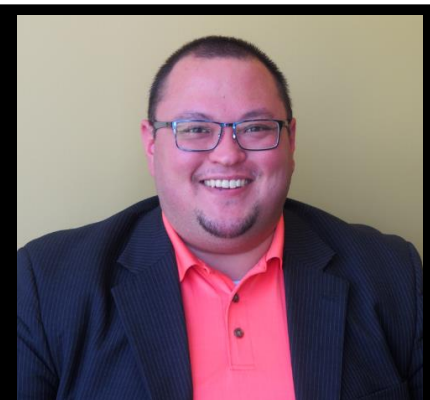

October 16-December 15, 2017

ADED 523: Curriculum and Instruction in Adult/Continuing Education

CI 568c: Grant Writing for Adult Programs

- This new program option is a series of online courses available in the Master's in Curriculum and Instruction with an Adult Education program option.
- The courses in this program option are designed to enhance the leadership and teaching skills for those who work in a variety of settings, including adult education programs and career and technical education.
- The adult leader's past and future work experience are central to the design of the courses in this program option.
- **No K-12 teaching licensure or certification is required for this course or program option.**
- Enroll in one course—or choose a Master's Degree Option in Adult Education
- Prior learning credit may be available.
- For financial aid information, go to: siue.edu/financialaid
- Regional states may qualify for in-state tuition. For information, go to: siue.edu/paying-for-college

SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE
SCHOOL OF EDUCATION
HEALTH & HUMAN BEHAVIOR

"The online format of the classes fit well into my busy schedule. It's great to have a degree program that utilizes current and relevant information in a modular format that I can apply to my own work experience."

Josh Beneze
SIUE Graduate Student
Associate Director for Adult
Education & Workforce
Illinois Community College Board
