Beyond the Bachelors Degree: Graduate Studies in Geography

**Considering a masters degree in geography?
Planning on going straight into a career?
Confused about what to do after graduation?**

Please join us for a discussion of graduate schools and careers in geography with our esteemed panelists. They will discuss the advantages of attending graduate school, how to choose a graduate school, and the process of applying to graduate schools in geography. There will be a Q&A session at the end of the discussion, so please bring your questions for the panelists.

Refreshments will be served
