

I. Chemistry Club Room 1107

- A. No results from Alestle article in regard to search for an artist to paint a periodic table on the wall in the club's room
  - 1. May have artist via Nellie's connection
  - 2. Need Facilities permission first
- B. Now have sign for door via Hope's husband Sam
- C. Receive computer via Chris
- D. No follow up on receiving/purchasing furniture for room
- E. Still need lock for door
  - 1. Cost would be about \$200-300.
  - 2. Vote on issue next meeting
- F. Obtained a dry erase board via Nathan

II. Financial Status

- A. Need to pay \$1,100 for purchase of notebooks
- B. Still have \$700 in account left over

III. Pizza sale

- A. Kimmel will only allow the club to sell pizza once a semester
- B. Benefits not worth the effort so not an idea anymore

IV. Cans from drive delivered earlier in the week

- A. 251 cans sent total due to 35 donated from Darcy's sorority

V. Upcoming Events

- A. BBQ at Dr. Johnson's house some Friday in April

B. Mixer with Darcy's sorority in April

1. Volleyball or softball

C. Pentathlon in April

1. Competition between Chemistry, Biology, and Physics clubs
2. Will be five events

VI. Tours

A. Forensics tour

1. 16 people signed up so far
  - a. Also, two students from SLU and various faculty interested in attending
2. Too many people to all tour the lab but can all fit in conference room
3. Maximum capacity for conference room is 25
4. Maximum capacity for labs is about 7
5. Possibly split up into two different days so everyone can tour the labs
6. Possibly split into three different groups and each group will only be able to see one lab

B. Anheuser Busch tour

1. No contact from Karen Dufreeze

C. ConAgra tour

1. Set for last week in March but not confirmed yet

VII. ACS meeting on Thursday, February 24 in Clayton

Chemistry Club  
Southern Illinois University of Edwardsville  
18 February 2005  
Secretary: Mariellen Sydow

- A. Arrive at 7:00pm and meeting begins at 7:30pm
- B. Contact Darcy to make reservation
- C. More information posted on Chemistry Club board outside room 2215

VIII. Probst lecture

- A. About 700 chemistry alumni
- B. Invitations will be sent early next week
- C. 80-100 people to invite to dinner
  - 1. Dinner invitations will most likely not be on letterhead
- D. Hotel reservations for Bob Currel made
- E. Need more posters to be put up around campus

IX. Chemistry Club website up and running via Nellie

- X. Vote to amend club's constitution next meeting

XI. Next meeting probably held March 4 at 1:00pm
