* Course taken to fulfill this requirement may also satisfy a General Education requirement. Refer to the SIUE Undergraduate Catalog for a list of approved courses.

** French 351 and 352 are only offered every other year.

If students have one or more years of French in high school, they should contact the Department of Foreign Languages to take proficiency tests for appropriate lower-level course work such as FR 101, 102, 201, and 202. FR 101 and 102 do not count toward major requirements, but may be counted as General Education Option B requirements.

Options for a double major, double minor or a single minor are available to French majors. At least one minor is highly recommended and a double major is strongly encouraged. Students considering a double major should decide on a second major as soon as possible.

Declaring a French Major: To declare a major in French, it is necessary to have:

1. Completed all Academic Development courses required by the University;
2. Completed any required courses to address high school deficiencies;
3. A cumulative grade point average of at least 2.0 (on a 4.0 scale).

Entering freshmen may declare upon entry if they have no Academic Development courses required.

For additional information, contact the Department of Foreign Languages, PH 2310, 650-3510.
