* Refer to reverse side of this sheet.

** Course taken to fulfill this requirement may also satisfy another General Education requirement. Refer to the SIUE Undergraduate catalog for a list of approved courses.

+ A grade of C or higher is required for all major courses.

++ Strongly recommended.

Note: This guide provides only a suggested course of study. The guide should be used in consultation with an adviser and the SIUE Undergraduate Catalog available online at www.registrar.siu.edu/registrar/catalogs.htm.

Minor or Area of Specialization (AOS): Geography majors may complete an existing minor within another department or may select the AOS option. The Area of Specialization option is designed to give students an opportunity to further explore the breadth and depth of geography and related disciplines, and consists of 18 hours of unique course work. The AOS may include courses from a variety of departments, including geography (courses must be in addition to all major requirements), and it must be designed in consultation with the area adviser and approved by the department chair. All courses taken as part of an AOS require a minimum grade of C.

Upon completion of the prerequisite GEOG 205, geography majors must complete **two human geography courses** selected from any of the following: GEOG 300, 301, 400, 401, 402, 406, or 450 (human topic).

Upon completion of the prerequisite GEOG 210, geography majors must complete **two physical geography courses** selected from among the following: GEOG 310, 312, 314, 315, 316, 410, 411, 412, 413, or 450 (physical topic).

Upon completion of the prerequisite GEOG 201, geography majors must complete **one regional geography course** selected from among the following: GEOG 330, 331, 332, 333, 334, or 450 (regional topic).

Upon completion of the prerequisite GEOG 320, geography majors must complete **one geography techniques course** selected from among the following: GEOG 322, 418, 422, 423, 424, 425, or 450 (techniques topic).

Declaring a Geography Major: To declare a major in Geography, it is necessary to have:

1. Completed all Academic Development courses required by the University;
2. Completed any required courses to address high school deficiencies;
3. A cumulative grade average of at least 2.0 (on a 4.0 scale).

For further information, contact the Department of Geography, AH 1401B, 650-2090.
