- Every student will also need an Interdisciplinary Studies Course in their Junior or Senior year.
- Many majors are very sequential and require you to take major classes in your first semester to stay on the four year plan. If you know your major, follow that curriculum guide. If you are considering a major, please discuss this with your Academic Advisor as soon as possible.
- If you are undecided, you will want to contact the Career Development Center for assistance at 650-3708.
- This guide only covers general education which makes up 42 – 44 hours of your total degree. All programs require at least 124 hours in order to graduate.
