

CALL FOR PAPERS  
4th Annual College of Arts and Sciences Spring Colloquium  
**Thinking about the Environment**  
April 4-6, 2007

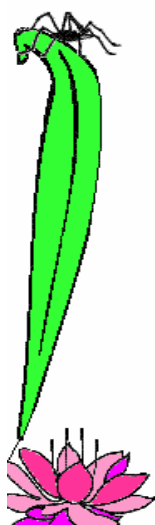

The CAS Colloquium Steering Committee is seeking proposals for papers and organized panels that explore any aspect of environment. This CALL FOR PAPERS is OPEN TO EVERYONE in the University community. Submissions may consist of paper presentations, roundtable discussions, panel discussions, performance art or any other appropriate format (please be sure to indicate which you wish to pursue).

Your creativity is encouraged and welcomed.

Please see the topic ideas below, *which are suggestions only*.
