### **On the Prowl: Alternative Career Moves for Humanities Majors**

As students migrate from academia to the working world, humanities majors may not have the clearest path. In fact, the transition can sometimes be so unclear, that many students shy away from the majors, leaving journalists to label the humanities in "crisis". Debra Humphreys, vice president for the public engagement group AAC&U, was recently quoted in the Chronicle of Higher Education, saying, "One need not choose a major that sounds like a job to have a successful professional life." To help students identify potential jobs, this panel explores alternative career moves for students majoring in the humanities.
