

Department of Mathematics and Statistics
 Plan of Study for the Master of Science in Mathematics
 Area of emphasis: **Postsecondary Mathematics Education**

STUDENT: _____ ID # (800 – xxx-xxx) _____

Beginning Semester: _____ Terminating Semester: _____ Advisor: _____

Today's Date: _____

Group A: (Three courses from MATH 420, 421, 423, 430, 435, 437, 450, 451, 464, 465, 466, OR 440, STAT 480A, 480B, 482, 478, 481)

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Group B: Two courses from MATH 531, 532, 533, 534, STAT 535

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Group C: Two MATH/STAT/OR electives selected from 500-level MATH, STAT, or OR courses, excluding courses from Group B above.

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Group D: Two courses from ADED 522, 523, EPFR 501, 515, CI 510(F/J), 563(F/J/K/L), IT 540

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Group E: MATH, STAT, or OR 599 (Thesis), or MATH, STAT, or OR 595 (Special Project), or option of substituting additional 500-level coursework in MATH, STAT, or OR, excluding courses from Group B. Students who select this option must pass a final exam covering two 500-level MATH, STAT, or OR courses from Group C and the additional course from Group E.

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Additional Courses

Course Number	Semester student plans to take this course	Prerequisites	Taken / Completed	Credits

Total Credits _____

REMEMBER:

1. Students need a minimum of 30 Total Hours; at least 15 hours must be in 500-Level courses
2. Students must maintain a GPA of 3.0 or higher.
3. You may not use this form to schedule reading courses. Reading courses must be approved by the Graduate Committee. Guidelines are available on the Blackboard website.
4. Please provide the graduate committee with an updated plan of study each semester after advisement.

Notes:
