

Donate to the Career Development Center's Professional Clothing Drive

We need your help! Ready to do a little cleaning in your closet?

Each year we have students that are in need of professional attire for interviews, career fairs, networking events, and practicum/co-op/internship experiences. Unfortunately, not all students have the resources to obtain the appropriate attire for these occasions.

The Career Development Center is taking donations of professional attire items through **Tuesday, Jan. 31** in preparation for its spring recruiting season. We will, of course, take ongoing donations outside of this timeframe, but this will be the first major push to get as many initial items as possible.

We are accepting both men's and women's attire. All items need to be in good condition and already clean and ready to be given to students.

Items can include:

- suits
- dresses
- skirts
- dress pants/khakis
- sweater sets
- polos
- blouses
- belts
- ties
- anything that could be worn for a professional event with employers
- anything that would be appropriate as a starting point for a professional wardrobe

We are hoping to get a variety of sizes and options so that we can make this service available to any student in need.

Items can be dropped off in the Career Development Center (Student Success Center 0281) during regular business hours. Please contact the Career Development Center at 618-650-3708 with any questions.
