

The SIUE Office of Research and Projects (ORP) invites faculty and research staff to attend an information session designed to prepare interested applicants for the **FY 2018 Seed Grants for Transitional and Exploratory Projects (STEP)** competition.

The Call for Proposals deadline is **Thursday, Oct. 6** released through the **SIUE Researcher news feed**. However, applicants are encouraged to prepare well in advance of the October deadline for this competitive program.

The ORP has established an information session and webinar for individuals to learn more about the program and what makes a strong proposal.

Attend an Open Information session:

2-3 p.m.

Thursday, Sept. 8

Morris University Center, Missouri Room

No RSVP required.
