

SIUE recently secured a Garrett Lee Smith Suicide Prevention grant through SAMHSA.

University initiatives are being offered under the iCare name with support from the School of Pharmacy, School of Nursing and Counseling Services. iCare has the support of multiple student organizations, academic departments and administrative units.

It strives to involve faculty, staff and students in the conversation about suicide prevention.

Please consider attending and encouraging students to attend the following events.

Today

"Send Silence Packing"

Stratton Quad and West Lawn of Morris University Center

(Rain location: Goshen Lounge)

Tuesday, Oct. 4
