

## Seasonal Flu Vaccine Clinics Scheduled

Health Service has received our shipment of flu vaccine, and we are pleased to offer flu vaccine to faculty, staff, retirees and students.

Employees covered under a State health plan:

Health Service is able to provide flu shots to employees and retirees who are the primary insurer in a State sponsored insurance plan at no charge. Employees must document the last four digits of your social security number, present your university ID and your state health insurance card in order to receive the vaccine at no charge. Retirees must present your state health insurance card and document the last four digits of their social security number in order to receive the vaccine at no charge.

Employees not covered under a State health plan:

Health Service has two options for you this year.

- You may receive the immunization at a cost of \$30 (cash or check) from SIUE Health staff; OR
- You may receive the vaccine from Gateway Regional Health staff (adjacent to our flu clinic location) on campus. If you choose Gateway, please bring your ID and insurance card to use when completing claim form documentation.

Please plan to wear clothing for easy access to the upper arm injection site.

WALK-IN Flu Shot Clinics will be available in the Lower Level of the Student Success Center. In order for us to continue to provide dedicated nursing service to our students during this time, we will use the meeting rooms close to our clinical office. There will be signs to identify the appropriate place.

Tuesday, Oct. 4 -- 9 a.m.-2 p.m.

Friday, Oct. 14 -- 9 a.m.-2 p.m.

Thursday, Oct. 20 -- 10 a.m.-12:30 p.m.

If you are unable to attend one of these clinics, please note that we will continue to schedule clinics until all of our vaccine is gone.

Gateway Urgent Care (Regional Health) will also offer vaccines:

4273 S. State Route 159

Glen Carbon

618-288-2297

Thank you for participating in this important health program.
