

You are Needed to Make The SIUE Experience a Success

We need YOU to make The SIUE Experience a success for the Class of 2020!

Please consider volunteering to help welcome new SIUE students.

9 a.m.-1 p.m.

Saturday, Aug. 20

The first impressions that these students experience during this orientation program can have a lasting impact on their connection to the University.

We are looking for faculty and staff to accompany new students and upper-class student leaders on our Class of 2020 service project.

This activity puts our SIUE value of Citizenship into action. We are providing service to seven community agencies in the Metro East: Arlington Wetlands, Granite City Community Garden, Grassroots Grocery/Hellrung Park/Hunterstown neighborhood (Alton), Jamie Hines Discovery Park, La Vista CSA Farm, Watershed Nature Center and Willoughby Farm.

Bus transportation from Lot B is provided or you are welcome to meet us at one of the service sites.

To volunteer for the service project, please click [here](#) to sign up.
