

Congratulations Class of 2009

The following participants successfully completed the 2009 Construction Leadership Institute at SIUE. Developed by the School of Business and School of Engineering, the program provides the knowledge, frameworks, and strategies that individuals and companies need in today's challenging construction industry. We thank the employers for their vision in supporting the education of future business leaders in the industry. For more information about the program call 618-650-2668 or visit www.siu.edu/business/cli.
