Transfer Credit Information

1. No more than nine hours total of program and elective courses may transfer from other institutions and from Unclassified graduate status at SIUE.
2. Courses must have been taken at an AACSB-accredited business school within 6 years of the anticipated graduation date from SIUE.
3. An earned grade of “B” or better is required.
4. Transfer credit is subject to approval of the associate dean of the School of Business.
5. Courses used for transfer credit cannot have been previously used toward any other degree.

For transfer credit to be evaluated, a student must submit a *Graduate Student Request Form* with the following information:

- a) Course number, title, description and attached syllabus.
- b) Dates, credit earned and institution.
- c) Transfer credit to be used to replace program courses (specify) or as an elective.
