By attending a Starting a Business in Illinois Workshop you will learn about starting a for-profit business in Illinois, led by trained counselors of the Illinois Small Business Development Center (SBDC).

Participants will learn how to develop a business plan, and time is allotted for specific questions regarding your venture. This course is highly recommended for anyone considering a new business venture, buying a turnkey operation or looking for more information.

By investing \$10 (for administration costs) and two hours of time, attendees qualify for specialized, one-on-one counseling sessions (provided at no cost) and access to many resources available through SBDC.
