# What will your brick do?

By contributing to student experiences, you are helping to supplement enrichment opportunities by sending students to seminars, workshops, and conferences. These opportunities foster the growth and development of the students' future, as well as their contributions to the campus.

To celebrate the expansion of the Student Fitness Center at SIUE, Campus Recreation is extending to you the opportunity to **leave your lasting mark on campus**. Personalized Commemorative Bricks will be placed at the SFC's main entrance and your personal message will become a piece of SIUE history.

By giving a contribution of \$150 or more, you have the opportunity to engrave your name or a message of up to three lines of 13 characters.

Your contribution
