

School of Dental Medicine Benefactors

The designation of School of Dental Medicine Benefactor offers perpetual recognition to the generous contributors of a cumulative total of \$100,000 or more. In many ways, each Benefactor is like a cornerstone that provides a reliable foundation, important since all other stones will be set in reference to this stone, thus determining the position of the entire structure. Our Benefactors have established endowments, led capital campaigns, and funded innovative programs. The investments made by our Benefactors have helped us to recruit and retain faculty, provide student scholarship opportunities, expand and renovate our clinical facilities and enhance the dental education curriculum. In effect, our Benefactors truly make it possible for the School of Dental Medicine to continue to offer our dental students an outstanding dental education—unquestionably one of the best in the country.

The School of Dental Medicine is grateful for the generosity of our Benefactors:

- Biomet 3i
- Chicago Dental Society/Chicago Dental Society Foundation
- Delta Dental of Illinois/Delta Dental of Illinois Foundation
- Illinois Children's Healthcare Foundation
- Dr. Clifford and Mrs. Virginia Neill
- Dr. Neal and Mrs. Marilyn Roller
