“Celebrating Excellence in Dental Education”

The Southern Illinois University School of Dental Medicine invites you to join us aboard the Norwegian Jade for our anniversary celebration of 35 years of providing excellence in dental education. Please join us for twelve hours of continuing education presented by two outstanding experts on current and useful information for the dentist and allied dental personnel in clinical private practice.

ROBERT A. LOWE, DDS

Diplomate, American Board of Aesthetic Dentistry
 “Clinical Solutions for a Profitable Practice” – 8 hours

Learning objectives:

- Selection of dental materials for each clinical situation
- Proper anatomical tooth reduction to create the optimal space for restorative options
- Restoration of implants in the aesthetic zone
- Treatment options for complex restorative and aesthetic cases
- Minor tooth movement and prosthetic tooth repositioning
- Laser assisted gingival and bony procedures for biologic width problems
- Tissue management and perfect master impression
- Delivery techniques for indirect restorations

WILLIAM GOEBEL, DDS, MSD

Diplomate, American Board of Oral Medicine
 Oral Medicine: “Something Old – Something New” – 4 hours

Learning objectives:

- Understand the interactions of “red flag” drugs and dental prescribing
- Understand the pharmacologic mechanisms that help determine medication choices
- Manage the patient’s chronic adult diseases that impact the outcome of dental care
- Manage patients with oral soft tissue disease

Southern Illinois University School of Dental Medicine is an ADA CERP recognized provider.
