Classes will meet at Belleville's Whiteside Middle School.

All courses are 16 weeks in length, with the exception of summer courses. During the spring and fall terms, one course meets on Tuesday evenings and the other meets once a month on weekends (Friday evening and most of the day on Saturday). Summer courses will be a modified schedule.

*The EPFR (515, 501, and 520/521) courses may be taken at any time during a student's program. The above schedule lists a suggested semester in which a student might consider taking the courses if they are pursuing a Master's Degree. These courses are each typically offered once a semester in an online format.

To register for classes, please contact Angie White at (618) 650-2433 or angewhi@siue.edu.

*The offering of the classes listed above is dependent upon sufficient enrollment.
 SIUE reserves the right to make modifications to above schedule or cancel classes due to insufficient enrollment*
