**Declaration Criteria:**

To be declared into the Community Health Education major, students must  
 - Have a **minimum** cumulative GPA of **2.5**  
 - Complete ENG 101 and 102 with grades of C or above

The General Education program at SIUE (except for the Interdisciplinary Studies Course) may be satisfied by completing an AA/AS Degree from participating IAI schools ([www.iai.edu](http://www.iai.edu)), or by appropriate transfer coursework or by completing courses at SIUE.

Students must maintain a **2.5 GPA**. If the GPA falls below 2.5, students are allowed one term of probation to return to 2.5 GPA or be dropped from the program.

124 Hours Required for graduation; 60 Hours required from 4-year institutions; 30 Hours must be completed at SIUE

HED 201 must be completed with a grade of B or above. All other HED courses must be completed with a grade C or above. All prerequisites must be completed with a grade of C or above.

The senior assignment is satisfied by successful completion of a portfolio and poster presentation after HED 498 and 499 are completed.

This program has 18 hours of free university electives. Students may elect to select courses to complete a minor or an area of focus related to interests in health education. These informal focus areas include, but are not limited to: Adolescent Health, Global Public Health, Environmental Health, Gerontology, Minority Health, or preparing for a Nursing or Physical Therapy program.

Students must apply for graduation when they have completed 90 hours.
