

AUTOBIOGRAPHY GUIDELINES

Autobiography should be submitted to the Physical Education Teacher Education advisor with the application form. The autobiography should be two pages (typed, double-spaced) which includes the following information:

1. Personal background
2. Family background
3. Employment history
4. Education history
5. Motivation for selecting a career in physical education teacher education (including a description of any experiences)
6. A description of other experiences which you feel have been significant in determining your interest in the field of teaching physical education
7. Career plans and objectives

Autobiographies are critiqued in the areas of formal writing style, correct usage of grammar, and punctuation.

Enrollment in professional physical education teacher education courses is prohibited until the student is admitted to the department.
