

Below is an image of the new Login Screen. You will type into the white boxes to the right, inside the Blue bar.

- Type SIUE into the Company Name Box
- Type your User Name and Password into the next two boxes
- Click on the Grey Log In button to the right of the Password box

You will need to select one of your assignments in the box on the left and click on one to begin or restart the assignment. Items that are grayed out mean that the earlier module must be completed first before you will be allowed to work on that module.

After selection, you will be asked whether you want to use sound or not with your assignment, and then it will begin.

The screenshot shows a web browser window titled "PureSafety | PS4 - Windows Internet Explorer" with the URL "http://lsms.puresafety.com/Training/PS4/Take/24256". The browser's address bar and menu bar are visible. Below the browser, the PureSafety website header is shown, including the logo and navigation links like "Exit Assignment", "Fall Protection v2, PS4 eLesson", "Page", "Safety", and "Tools".

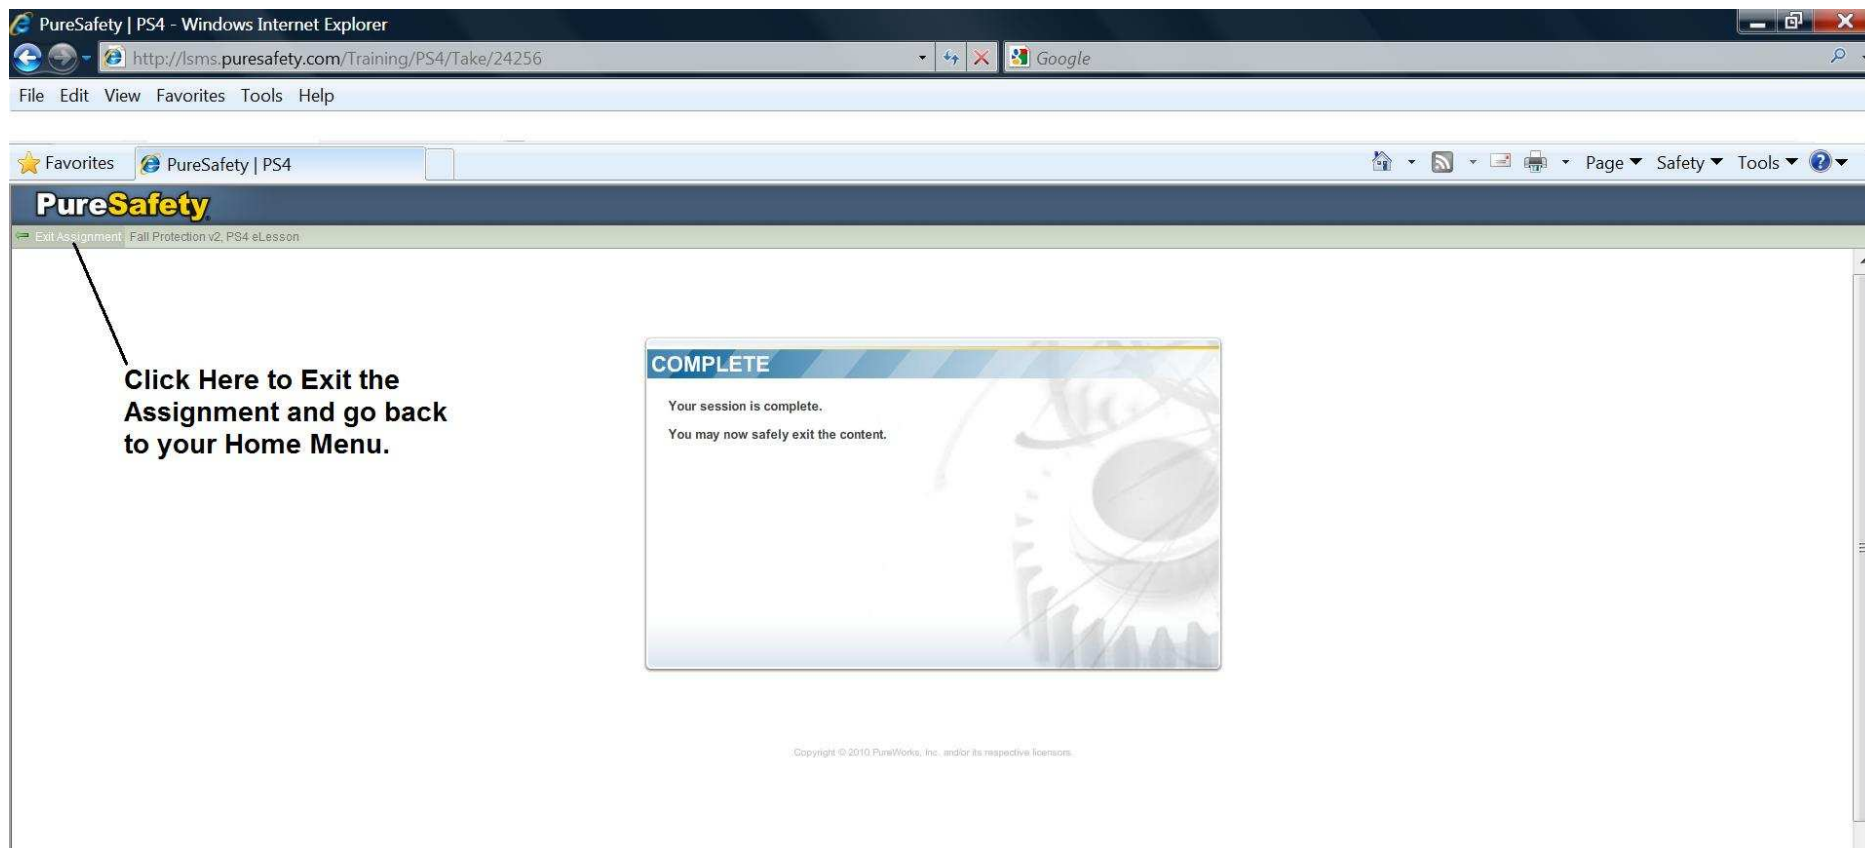

The main content area displays a "Program Objectives" window with the following list:

- Identify common fall hazards
- Select equipment / methods to provide protection
- Properly use equipment
- Inspect equipment

A "Course Paused" dialog box is centered over the content, containing the text: "Press 'Save and Exit' to quit. Press 'Resume' to continue the presentation." Below this text are two buttons: "Save and Exit" and "Resume". A black arrow points from the text "Click here to save your work" to the "Save and Exit" button.

At the bottom of the content window, there is a "Progress Meter" and navigation buttons: "Back", "Restart", "Pause", and "Next". A copyright notice at the bottom reads: "Copyright © 2010 PureWorks, Inc. and/or its respective licensors."

Then click on the tiny Exit Assignment button under the PureSafety logo on the top left..... This should return you to your Home list.
