

ILLINOIS ASPHALT PAVEMENT ASSOCIATION SCHOLARSHIP AWARD

- Purpose - To assist a student in gaining a better understanding of the asphalt paving industry area through a scholarship provided by the IAPA.
 - Eligibility - The Scholarship will be awarded to a junior student in Civil Engineering for the senior year at SIUE. Financial need will not be considered in the choice of the awardee. The student must either be a U.S. citizen or have applied for citizenship.
 - Selection of the recipient will be based upon interest of the student in the asphalt paving area and his/her performance at the University. A minimum cumulative grade point average of 2.80/4.00 is required. Awareness of the Scholarship will be made to Sophomore and Junior students in order to generate greater interest in the asphalt industry.
 - Preliminary screening of applicants will be made by the Department of Civil Engineering Staff and recommendations will be made to IAPA. Final selection of recipient will be made by representatives of IAPA in consultation with Civil Engineering staff.
 - The awardee, in the senior year as part of his /her curriculum, will undertake a special investigation of a current problem in the asphalt paving area. Selection of the problem to be investigated will be based upon recommendations by IAPA, the interest and available time of the awardee and the capabilities of SIUE. The student will prepare a written report as a conclusion to this investigation. Supervision of the investigation will be provided by a member of the Department of Civil Engineering.
 - The Scholarship award will be \$1,800.00 paid through SIUE to the student.
 - **Deadline** for returning applications is **October 28** in the year preceding the year for which the Scholarship is awarded.
 - The process of selection of the awardee will be concluded each year by March 1. Presentation of the certificate of the award to the recipient will be made by a representative of IAPA at the IAPA Annual Convention in March.
