Your 2010-2011 federal financial aid application has been selected for verification, a process required by federal legislation. Requested information must be submitted, as this information will be used to finalize your eligibility for federal financial aid. Aid cannot be offered until the verification process has been completed. A prompt response to requested additional information, along with required signatures on this form, will reduce the processing time of the federally required verification.

To complete the verification process, additional information about the line items that were reported on your or your parent's 2009 federal income tax return is needed. Please submit the schedule(s) requested.
