Your 2009-2010 federal financial aid application has been selected for verification, a process required by federal legislation. Aid cannot be offered until the verification process has been completed. A prompt response to requested additional information, along with required signatures on this form, will reduce the processing time of the federally required verification.

**Conflicting information has been reported on your FAFSA and Institutional Verification Form (IVF) for untaxed income that you and/or your parent(s) received in 2008.**

Certain items can be verified as we review tax returns and W-2s. Other items reported on a financial aid application such as those listed below may or may not be reported on a federal tax return. However, per federal regulations, we must verify the reported untaxed income. Indicate below the amount of money received per line item. If additional information is required, it will be requested after the information below has been reviewed.
