

CGA Scholarly Activities Research Plan

Name: _____

Graduate Program: _____ **Date** _____

Briefly describe your research or creative activity plan as it applies to your selected program of study. Include the specific research/scholarly activity project(s) you will complete as part of the CGA, and explain how your faculty mentor will assist you. The research/creative activity(ies) can be of your own design or that of the faculty mentor. Limit your response to this attachment.
