GENERAL INFORMATION

We are pleased that you have expressed interest in Southern Illinois University Edwardsville. This material provides information about applying for admission as a classified graduate student. Review it thoroughly before completing the application. Please Note: The quickest and easiest way to apply and pay the application fee is online at www.siu.edu/prospectivestudents.

International Applicants: If you hold or require a non-immigrant visa, do not complete this application. Request international application material from Southern Illinois University Edwardsville, Office of Admissions, Box 1047, Edwardsville, IL 62026-1047, fax (618) 650-3618, phone (618) 650-3770, or e-mail intladm@siue.edu.

SIUE has a dual admission process for classified status. Applicants must satisfy the admission requirements and be approved for admission to graduate study by both the Graduate School and the academic program to which application is made. Earning a baccalaureate degree from SIUE does not guarantee admission into graduate study. Contact the program director of your intended program for specific program admission requirements, such as test scores, personal interviews, personal history forms, letters of recommendation, or applications.

File Completion Deadline: Application files must be completed at least four weeks preceding the first day of the term: Spring 2007 – December 8, 2006; Summer 2007 – April 20, 2007; Fall 2007 – July 20, 2007; and Spring 2008 – December 14, 2007. However, several departments have earlier deadlines than the general dates above; refer to the Graduate Degree Program list to identify these departments, or check with the Graduate Program director.

The Graduate Catalog and Schedule of Classes are available on the SIUE Web site (www.siu.edu/GRADUATE).

APPLICATION FEE

There is a \$30.00 application fee for all new graduate applicants and for returning applicants who have not attended SIUE for nine consecutive terms. Payment should be made in U.S. dollars by check or money order payable to SIUE. Payment also may be made online by credit card at www.siu.edu/BURSAR. Applications received without the fee will not be processed. This fee is NON-REFUNDABLE. Applicants who decide to change their term of entry after admission may update their file for the next two terms without another application fee. Graduate students currently enrolled at SIUE are not assessed an additional fee to apply to another program or to change their major.

PROVIDING ACADEMIC CREDENTIALS

Applicants must have official transcripts mailed directly to Office of Admissions by the institution granting the baccalaureate degree or where the degree is in progress, and from all institutions at which post-baccalaureate work has been completed. This is not necessary for applicants who graduated from Southern Illinois University Edwardsville or Carbondale. Hand carried and faxed documents are not acceptable. Please direct all transcripts to: Office of Admissions, Box 1047, Southern Illinois University Edwardsville, Edwardsville, IL 62026-1047.

To ensure that all documents necessary to complete your admission file have been received, go to www.siu.edu/COUGARNET.

Awards: First-time graduate degree-seeking students may apply for a Competitive Graduate Award, which provides a stipend and a waiver of tuition. Application forms are available in Graduate Studies and Research, Campus Box 1046, SIUE, Edwardsville, IL 62026-1046, or call (618) 650-3010.

Student Employment, Loans, and Grants: Graduate students may be eligible for student employment and for loans or grants to support their studies.
