Welcoming new International Students

New International students are welcomed by Office of International Programs and Oriented for better understand SIUE system. IHP extended their warm hands to make them feel comfortable in new environment. IHP reception and Picnic brought lot of positive response from new students.

Orientation of new International Students and IHP

Inauguration of Dremuk's Conference Center

The Center for International Programs has a new HOME!

Our offices have moved to the new Student Success Center, adjacent to the Morris University Center. SIUE has improved access to student services by constructing student-centered academic resources and quality facilities that foster and promote student learning. We are happy to be part of this exciting improvement student services at SIUE. Drop by for a visit. We are located on the lower level in Suite 0300. Dremuk's conference center is dedicated to students for serving meeting place area.
