Transparency / Slide Log

Please complete the Transparency/Slide Log to make shooting or imaging of your slide order faster and more accurate. Enter page number in the first column. If there is no page number, please use a post-it note with the slide number on it. Enter figure or plate number in the second column. In the third column, indicate if you want the caption included or deleted. In the fourth column, give title of piece or any special instructions i.e., shoot both pages as one slide, shoot one slide of both images, shoot upper right image, etc
