SIUE To Graduate Nearly 600 During Summer Commencement

(EDWARDSVILLE, Ill.) Nearly 600 students are expected to graduate from Southern Illinois University Edwardsville during summer commencement ceremonies at 10 a.m. Saturday, Aug. 5, in SIUE's Vadalabene Center.

Some 585 eligible graduate candidates from the College of Arts and Sciences, as well as the Schools of Business, Education, Engineering and Nursing will receive diplomas.

John Simmons, founder of what later became the SimmonsCooper Law Firm, will speak at the ceremony as recipient of the 2006 SIUE Alumni Association Distinguished Alumni Award. The award, which honors SIUE graduates who have achieved distinction in a chosen field and who also have served the university, has been given by the association each year since 1974.

In addition, Robert Phillips, an instructor of Economics and Finance in the SIUE School of Business, will be honored at the ceremony as recipient of the 2006 Great Teacher Award, also given each year by the Alumni Association. SIUE alumni nominate candidates for the award by mail or through the association's Web site and then the association's awards committee chooses from among the nominations.

The names of the graduate candidates from Illinois and Missouri, and their degrees, are first on the following list, and then alphabetically from other states and other countries. Students graduating with special honors are indicated as follows: * = Cum Laude, ** = Magna Cum Laude, *** = Summa Cum Laude, + = Dean's College, ++ = Chancellor's Scholars:
