

HESI Admission Assessment (A²)

This test is a requirement for all applicants to the traditional undergraduate nursing program. Any application that does not include results of this test is incomplete, and the applicant is not eligible for acceptance into the SIUE Nursing Program

Exams Contained in the **A2™** include:

Math: Test items related to math concepts required when calculating drugs and solution problems. Sub-scoring of the following categories is provided:

- Addition
- Subtraction
- Multiplication
- Division
- Fractions
- Decimals
- Ratio and Proportion
- Household Measures
- General Math Facts (Roman Numerals, Military Time, etc)

Reading Comprehension: Reading scenarios related to health care topics.

Vocabulary and General Knowledge: Rationales are provided at the completion of this exam.

Grammar: Tests ability to identify correct English writing formats.

You will be given two hours to complete the test. You will receive your results immediately upon completion of the test.

Study guides for the HESI A2 Admissions Assessment are available for reference at SIUE's Lovejoy Library. You may also purchase a study guide through the HESI Corporation. For more information call 1-800-545-2522. If you would like to purchase the Study Guide ask for ISBN: 978-1-4160-5635-5.

You must register to take the test online through the SIUE Testing Center. There are specific dates during the fall and spring semesters that the test will be given. Visit their website at <http://www.siu.edu/IS/TEST/Nursing/> for test dates and registration. *You will be required to pay a \$43 fee to register for the test and to secure your spot.

***All administrative and service fees for the HESI tests are non-refundable. If you need to reschedule your test session, you must register to take the test on another date and pay these fees again.**
