

Academic Year 2011-2012 parking permits will be available for sale on July 1, 2011. Between July 1 and the first day of fall semester, permits for both the current and upcoming academic years will be honored when appropriately displayed in registered vehicles. The minimum requirement for faculty and staff is a blue permit for parking on campus. Only one green, orange or brown permit may be issued to an individual. The **2011-2012 permits are required by August 22, 2011**. Enforcement for the fall semester will begin on that date. **For the Academic Year 2011-2012, permit rates for employees are as follows:**

Green (code G11) - Lots A and E - \$149.00

Orange (code O11) – Lots D and G - \$149.00

Brown (code F11) – Lot F - \$149.00

Blue (code B11) – P1, P2, P3, Supporting Services, Alton and East St Louis -\$113.00

Graduate assistants will no longer be automatically eligible for green permits. Options for this upcoming academic year are: (1) Register online on the Parking Services website for a limited number of green permits in an exclusive graduate assistant lottery. If you are a University Housing Resident and obtain a green permit through the lottery, a Housing sticker will be affixed to that permit by Parking Services so that it will be honored in the residential lots. The names selected in the lottery will be posted on the website and at the Parking Services office on August 12, 2011. “Winners” may then purchase their permits online and will receive online instruction about obtaining the permit after purchase. (2) Purchase a red, yellow for University Housing residents, brown or evening permit.

Full time and part time employees will have the opportunity to purchase Academic Year 2011-2012 parking permits by pre-tax payroll deduction during the sign-up period of July 1, 2011 through August 21, 2011. Sign-up and purchase must be made online by accessing our website at siue.edu/parking There will be no service fee applied for this transaction. Enrollments are for a period of one year and you will have the opportunity to renew each year when you purchase a new permit.

There will be four (4) deductions taken during the months of October and November. Payroll deductions may be made only for the individual employee of SIUE. Deductions may not be made for one’s spouse, significant other or dependent.

Individuals with motorcycles or mopeds may purchase regular hangtags which can be placed in a special case designed to be locked on motorcycle or moped handlebars. The permit may also be displayed from the rear view mirror of a vehicle either with or without the case. Additional information about the special case may be found on the parking website or by contacting Parking Services.
