43. Counseling Center (CS)
44. SIUE Credit Union (CU)
45. Shaw Sky Lab (SH)
46. Contract Archaeology (CA)
47. Evergreen Residence Hall (ER)

Parking Information: Visitors may park in Lot B or metered portions of other lots.

The University has a network of 65 emergency telephones stretching from Prairie Hall on the southern edge of campus to Cougar Village on the north. Phones are located along walkways and in parking lots. Each phone has two buttons labeled "Info" and "Press For Help." The latter is used for emergency calls and activates the strobe light located within the unit itself. The "Info" button is for such instances as flat tires, dead batteries, etc. Both phone lines go directly to University Police dispatchers who are able to identify the location of the caller from their console. Throughout this website, you will notice links identifying the location of these phones. Become familiar with these locations and be sure to use the phones if you need them.
