CORRESPONDENCE

Nothing to report

OLD BUSINESS

A. Initiatives Assigned to Facilities Management or Telecommunication: Bob Vanzo reported that Zipcar does not have a contract with SIUE as of May 15, 2017. Enterprise Carshare will be replacing Zipcar on campus. The start date is June 1, 2017.

E. Rave Mobile App: Lisa Johnson is absent, so there is no report.

F. Whoosh APP: No report.

Initiatives Assigned to Facilities Management or Telecommunication:

A. Motorist Assistance, Citation, Towing Monthly Report, and Moving Violation Statistics:

A copy of this report was provided to all committee members for their review

B. Campus Construction Update – Facilities Management:

This report is from Paul Fuligni, Director of Facilities Management. The renovation of the Science Building is back up and running, so that will delay parking lot re-surfacing plans for Lot A until 2018, presuming funding from the State for the Science Building will be re-appropriated July 1, 2017.

1. Alton Parking Lots: Construction began on May 1, 2017. Estimated completion date of Phase I is the end of May.

D. Zipcar Update: Bob Vanzo reported that Zipcar does not have a contract with SIUE as of May 15, 2017. Enterprise Carshare will be replacing Zipcar on campus. The start date is June 1, 2017.

E. Rave Mobile App: Lisa Johnson is absent, so there is no report.

F. Whoosh APP: No report.

G. Cougar Card – Parkeon – Update: Bob Vanzo reported the implementation has been pushed back to coincide with the installation of chip readers in the machines. Bob informed them he was not happy with their performance as their proposal was selected only because they indicated they would be able to read our cards. We are also planning on buying eleven more machines soon.

NEW BUSINESS

1. Circle Drive – Vehicle/Bus Parking

Mike Hamil will have the “No Parking” signs in the Hairpin replaced with “No Parking No Standing” signs. This will give the Parking Service Agents the authority to make drivers move away for the curb.

2. Intersection of North Circle Drive and University Drive

3.

Mike Hamil will see if there is a way to set certain times in the back office software of Parkeon to have No Pay times added to the Kiosks.

Evening Permits for Residential Students

4. Mike Hamil will be working with a traffic engineering class to make sure all roadway signs are up to MUTCD code. This will happen in the fall semester.
