

= Enroll Now

SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE

Transfer Registration Information

Welcome to the SIUE community. Please review the following information carefully for your next steps to complete your SIUE enrollment. Your admission is valid only for the term indicated in your admission letter. If you are unable to attend this term and wish to be considered for a future term, please submit a new application. (*You may do this for two additional consecutive terms before another application fee will be required.*) Additional information for admitted students is available at siue.edu.

Your admission was based on your academic record to date and is contingent upon successful completion of any course work in which you may now be enrolled. If you are now enrolled at another school, you must have a final official transcript sent to the SIUE, Office of Admissions, Box 1047, Edwardsville, IL 62026-1047 from the college or university you are now attending. Hand-carried, faxed, or transcripts mailed in by students will not be accepted. Intentional nondisclosure of transfer credit may result in dismissal from the University. Please feel free to contact the Office of Admissions regarding any additional questions about SIUE.

Transfer Credit Evaluation

If you are pursuing a first baccalaureate degree, SIUE's Transfer Center staff will evaluate credit submitted on official transcripts from regionally accredited institutions within 15 working days.

You may review the results of your evaluation by accessing your transcript online at siue.edu/cougarnet. Additional information regarding the way in which SIUE evaluates transfer coursework as well as a document for assistance interpreting the transfer credit evaluation may be obtained online at siue.edu/transfer.

If you are pursuing a second bachelor's degree, your general education requirements are considered complete and individual courses will not be evaluated. Your major advisor will help you determine the appropriateness of your transfer credit toward SIUE requirements.

Advisement/registration

Before you register, it is recommended you complete the following.

Activate your e-id (see enclosed e-ID sheet for details).

Complete eTRACS modules 1& 2 prior to registering (*see back for more information.*)

Prior to registering, you will need to meet with an advisor. It is important that you ensure that your transfer coursework has been evaluated prior to meeting with an advisor if you are pursuing your first bachelor's degree. The advisor will use this information to assist you in understanding the manner in which transfer courses apply to SIUE degree requirements.

If you hold an AA, AS, ASA, or bachelor's degree and you meet requirements for the proposed major indicated on your application for admission, you have been declared directly into your chosen major. Please contact the major department for an advisement appointment (*see phone numbers on back*).

All other students enter SIUE as undeclared and will have the opportunity to discuss the requirements for declaring a major during an academic advisement appointment.

Undeclared transfer students are required to schedule a one-hour advising appointment with an academic advisor in the Office of Academic Advising.

Placement testing information (if required) will also be included in the packet with the registration information. You can find additional information about placement testing and register for necessary tests at siue.edu/IS/TEST/PLACE.

The SIUE undergraduate catalog and class schedules are online at siue.edu/registrar.

Orientation To SIUE

e-TRACS

ETRACS is an online program designed to assist all entering transfer students in their transition to SIUE. More information on eTRACS can be found at: siue.edu/transfer.

TRANSFERmation

Held in January (spring term) and August (fall term), TRANSFERmation is an opportunity for you and other SIUE transfer students to learn more about SIUE and ease any concerns you have about your transition to campus. Invitations will be sent prior to each program session and a registration form is also available online one month prior to each program at siue.edu/transfer.
