SIUE Gets New Asst. Vice Chancellor

SIUE has named Scott Belobrajdic the new assistant vice chancellor for Enrollment Management. Scott was selected after a national search to replace Boyd Bradshaw, who left SIUE earlier this year to become assistant provost for Enrollment Services at the University of Louisville.

Scott has 16 years of administrative experience in enrollment management. He has served at several institutions, including Illinois College, St. Louis University, and DePaul University. He brings significant expertise in staff development, marketing/recruitment, retention and academic advising, and use of information systems to improve strategic student recruitment. He also has successfully managed significant financial aid programs.

TRANSFERmation Coming Nov. 28

TRANSFERmation is an optional program designed for newly admitted transfer students. This program provides an excellent opportunity for students to learn about the programs, services, and activities available at SIUE. Once students have registered for their classes, they may sign up for TRANSFERmation; class registration is not part of this program. For more information about the program, please visit www.siu.edu/prospectivestudents.
