

The Bulletin contains information about business opportunities at **all the public universities in Illinois** and the Illinois Math and Science Academy.

Search by procurement number or key text. Browse by category, keyword, region of the state (and then by university), and notice type (bid, RFP, QBS, construction bid, etc.)

Register for a **My Bulletin Account** to

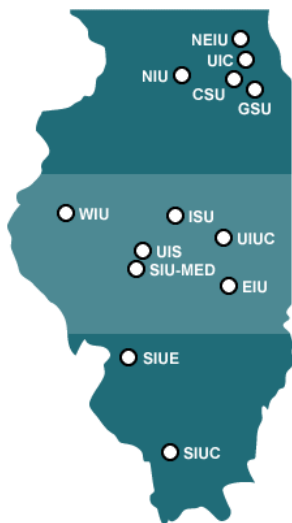

- Download solicitation documents and other vendor forms.
- Conduct advanced searches.
- Sign up for automatic e-mail notification when notices are posted in your selected categories.
- Save your searches for faster future searches.
- Set up security questions that, when answered correctly, allow you to change your password.

Browse the Web site for information on:

- How to do business with state universities
- Frequently used terms.
- The procurement rules and a link to State statutes.
- Contact information.
- Geographical location of each university.
- Links to university Web sites and other state procurement sites.

Illinois Department of Central Management Services Business Enterprise Program

http://www.cms.illinois.gov/cms/1_selling/bepprgm.htm

The Illinois Business Enterprise Program for Minorities, Females, and Persons with Disabilities (BEP) promotes the economic development of businesses owned by minorities, females, and persons with disabilities.

The Business Enterprise for Minorities, Females, and Persons with Disabilities Act is designed to encourage state agencies to purchase needed goods and services from businesses owned and controlled by members of minority groups, women, and/or persons with disabilities.

Application and required documents needed for certification completion. Please download the following forms, complete and mail to our office:
