

Degree Evaluation Attribute - LNSM Attribute

| Subject | Course Number | Course Attribute | Attribute Description | Prerequisite* |
|---------|---------------|------------------|-----------------------|---------------|
| ANTH    | 360B          | LNSM             | Science Lab Course    | Y             |
| BIOL    | 120           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 121           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 150           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 151           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 220           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 240A          | LNSM             | Science Lab Course    | Y             |
| BIOL    | 240B          | LNSM             | Science Lab Course    | Y             |
| BIOL    | 250           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 319           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 321           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 337           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 340           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 365           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 380           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 415           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 416           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 418B          | LNSM             | Science Lab Course    | Y             |
| BIOL    | 456           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 456           | LNSM             | Science Lab Course    | Y             |
| BIOL    | 481           | LNSM             | Science Lab Course    | Y             |
| CHEM    | 124A          | LNSM             | Science Lab Course    | N             |
| CHEM    | 124B          | LNSM             | Science Lab Course    | Y             |
| CHEM    | 124N          | LNSM             | Science Lab Course    | N             |
| CHEM    | 125A          | LNSM             | Science Lab Course    | N             |
| CHEM    | 125B          | LNSM             | Science Lab Course    | N             |
| CHEM    | 135           | LNSM             | Science Lab Course    | N             |
| CHEM    | 245           | LNSM             | Science Lab Course    | Y             |
| CHEM    | 335           | LNSM             | Science Lab Course    | Y             |
| CHEM    | 365A          | LNSM             | Science Lab Course    | N             |
| CHEM    | 365B          | LNSM             | Science Lab Course    | N             |
| CHEM    | 435           | LNSM             | Science Lab Course    | Y             |
| CHEM    | 455           | LNSM             | Science Lab Course    | Y             |
| ENSC    | 220L          | LNSM             | Science Lab Course    | N             |
| ENSC    | 465           | LNSM             | Science Lab Course    | Y             |
| GEOG    | 270           | LNSM             | Science Lab Course    | Y             |
| GEOG    | 310           | LNSM             | Science Lab Course    | Y             |
| PHYS    | 112           | LNSM             | Science Lab Course    | Y             |
| PHYS    | 131A          | LNSM             | Science Lab Course    | Y             |
| PHYS    | 131B          | LNSM             | Science Lab Course    | Y             |
| PHYS    | 131B          | LNSM             | Science Lab Course    | Y             |
