SUMMER TERM 2001 Classroom Daytime Scheduling Grid
 Except for courses taught in the workshop format, classes may cross over two minor time blocks, but not two major. That is, a course could meet from 8:00-10:30 a.m. but not 9:30-12:00p.m. For other details, see the Guidelines (attachment 6) or request the Guidelines prepared by the Calendar Conversion Office, from Academic Scheduling, ext. 5593.
