## Key Student Employment Dates

Students may begin using Student Job Finder to locate on and off campus jobs 2 weeks prior to the break week preceding each term. To be eligible, students must be enrolled and financially clear for the upcoming term, as well as meet other employment criteria.

Students may begin working on the first day of the break week preceding each term, provided enrollment and financial clearance requirements have been met. Below are the dates for each semester.

This schedule may be updated due to changes in the academic calendar.
