

URCA ASSISTANT TRAVEL FUNDS APPLICATION

Complete this application with your mentor. Attach (1) a copy of the paper that you will be delivering, and/or (2) a catalog or program providing details about your work that will be exhibited or performed, and (3) copies of relevant correspondence documenting the competitive nature of the process by which it was selected by your professional group. Turn in the completed application with attachments to the Office of Academic Innovation and Effectiveness (RH 3115) as soon as you have confirmation of your acceptance. Applications must be received at least two weeks before the first day of travel.

Note: Assistant travel funds are limited and dispersed on a first-come, first-serve basis each year. Students can only receive funds for a single trip, and the maximum any student may receive is \$200. Students are eligible to apply for travel funding for projects completed while they were URCA Assistants as long as they are still full-time, undergraduate SIUE students. Students will not be eligible for Senior Assignment travel funding for the same project.
