***Have you or will you apply for other URCA Research Assistant positions this semester? If so, please list all position numbers. Please Note: While it is okay to apply for multiple positions, you may only accept one position per semester!**

***Briefly describe your research interests:**

I am interested in the effects of increasing gloabl online commerce and stock trading on the global financial market.

***Briefly describe your career goals:**

To excel as an information technology professional.

***Why do you want to be a research assistant?**

I would cherish the opportunity to increase my knowledge and use my skills to help broaden our university's knowledge.

***What sorts of prior research experience do you have:**

I have worked as an intern in the IT department at SIUE researching classroom technology.

***Why should you be selected for this position?**

My previous research experience will allow me to work quickly and thoroughly toward our research goal.

Is there a professor at SIUE who could speak favorably about you? If so, please provide name, e-mail address and phone number. (Note: you should secure permission from this professor to be used as a reference before submitting this form!)

Check the position posting carefully. At the bottom the professor may have requested additional information (about prerequisite courses, transportation, etc.). If so, please address each of these issues below (for example, I have taken the 2 prerequisite courses and earned an A in both, and I am available during all the listed required times).

I have taken the two prerequisite courses listed and earned an A in both.

***I have read and fully understand the time commitment, duties and responsibilities of the position I am applying for. If selected to this position, I agree to comply with these.**
