Location of research/creative activities: Alumni Hall

Brief description of the nature of the research/creative activity:

The student will provide support to me as I conduct a study on whether student's awareness, knowledge and skills in working with diverse populations change after receiving a graduate course on art therapy multiculturalism.

Brief description of student responsibilities:

My Assistant will be responsible for assembling survey packets to participants, entering data into SPSS, and some basic data analysis.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

At the end of this semester, my Assistant should gain knowledge on survey research design, skill in working with SPSS, and become more aware of constructs of culture.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours), please indicate all required days and times:

Preference for Thursdays, but have some flexibility.

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

No off campus work.

Must students have taken any prerequisite classes? Please list classes and preferred grades:

No

Other requirements or notes to applicants:

I would prefer a student who is familiar with SPSS and interested in cultural identity.
